Ms. Laura Russell
Attorney
Texas Parks & Wildlife Department

OR2013-06109

Dear Ms. Russell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 484621 (TWPD# 2013-01-R38).

The Texas Parks and Wildlife Department (the "department") received a request for twenty-four categories of information pertaining to deer breeders, illegal deer importing, Lacey Act violations, illegal deer capturing, and related topics.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.

Initially, we note you have submitted a representative sample of information regarding ongoing investigations pertaining to the illegal importation of deer, but you have not submitted any information responsive to the remainder of the request. Although you state the department submitted a representative sample of information, we find the submitted information is not representative of the remaining types of information. Please be advised this open records letter applies only to the type of information you have submitted for our

¹We note the department sought and received clarification from the requestor regarding the request. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used).

review. Therefore, this letter ruling does not authorize the withholding of any other requested records to the extent those records contain substantially different types of information than that submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of section 552.301, information is presumed to be public). Thus, to the extent any information responsive to the remainder of the request existed when the present request was received, we assume it has been released.² If such information has not been released, then it must be released at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and submit a statement from the game warden explaining, the submitted information pertains to active criminal investigations. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information. Accordingly, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

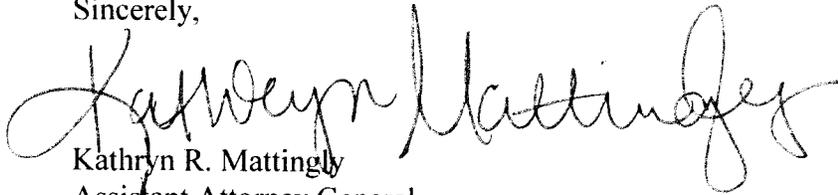

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²We note the Act does not require a governmental body to release information that did not exist when it received a request or create responsive information. *See Econ. Opportunities Dev. Corp. v.
