

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 29, 2013

Mr. John R. Batoon
Assistant City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950-1890

OR2013-07038

Dear Mr. Batoon:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 491600.

The El Paso Police Department (the "department") received a request for information pertaining to a specified case number. You state the department has no photographs responsive to this request.¹ You state the department has released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.*

¹The Act does not require a governmental body to release information that did not exist when it received a request or to create responsive information. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990).

§ 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department the requisite information. Although the department seeks to withhold this information under section 552.108 of the Government Code, as a general rule, statutes governing the release of specific information prevail over the general exceptions to disclosure found in the Act. *See* Attorney General Opinion DM-146 at 3 (1992); *see also* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Accordingly, the department must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal investigation, and release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186–87; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining information under section 552.108(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license issued by a Texas agency, or an agency of another state or

country, is excepted from public release.² Gov't Code § 552.130(a)(1). Upon review, we find the department must withhold the driver's license information we have marked in the DIC-24 and DIC-25 forms under section 552.130 of the Government Code.

In summary, the department must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code. Except for the driver's license information we have marked, which the department must withhold under section 552.130 of the Government Code, the department must release the DIC-24 and DIC-25 forms. With the exception of the basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
