

ATTORNEY GENERAL OF TEXAS

Ms. Sue Koriath
Assistant Criminal District Attorney
Kaufman County
100 West Mulberry
Kaufman, Texas 75142

OR2013-07684

Dear Ms. Koriath:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 491193.

The Dallas County Medical Examiner's Office (the "medical examiner's office"), which you represent, received several requests for the autopsy reports of three named individuals. You state two of the requested autopsy reports do not exist.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under

¹The Act does not require a governmental body to release information that did not exist when it received a request or to create responsive information. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.— San Antonio 1978, writ dismissed); *Open Records Decision Nos. 605 at 2 (1992)*, 555 at 1 (1990).

section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. You state, as an assistant district attorney for the Criminal District Attorney's Office of Kaufman County (the "district attorney's office"), the district attorney's office objects to disclosure of the submitted information because release would interfere with a joint criminal investigation currently being conducted by Kaufman County Sheriff's Office, the district attorney's office, the Federal Bureau of Investigation, and the Texas Rangers. Based on this representation, we conclude the medical examiner's office may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
