Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277

OR2013-07710

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 486760 (City File No. 157).

The City of Corpus Christi (the "city") received a request for water bills for a specified property during a specified period of time. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You claim section 552.101 in conjunction with section 182.052 of the Utilities Code, which provides in part:

- (a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer's volume or units of utility usage or

amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.

(b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

Util. Code § 182.052(a)-(b). "Personal information" under section 182.052(a) means an individual's address, telephone number, or social security number, but does not include the individual's name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). Water, wastewater, gas, and garbage services are included in the scope of utility services covered by section 182.052. *See* Util. Code § 182.051(3). Section 182.054 of the Utilities Code provides six exceptions to the disclosure prohibition found in section 182.052. *See id.* § 182.054.

You state the submitted information pertains to a customer who timely requested confidentiality under section 182.052 for her personal information, the volume or units of her utility usage, and the amounts billed to or collected from her for that utility usage. You also state none of the exceptions to confidentiality under section 182.054 apply in this instance. You further state the primary source of water for the city's utility services is not a sole-source designated aquifer. Based on your representations and our review, the city must withhold this customer's personal information, the volume or units of her utility usage, and the amounts billed to or collected from her for that utility usage, which we have marked, under section 552.101 of the Government Code in conjunction with section 182.052 of the Utilities Code. We find the remaining information is not confidential under section 182.052 and may not be withheld on that basis.

We note the remaining information contains customer utility account numbers that are subject to section 552.136 of the Government Code.¹ Section 552.136(b) of the Government Code states that "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has found that customer utility account numbers are access device numbers for purposes of section 552.136. Therefore, the city must withhold the customer utility account numbers we have marked under section 552.136 of the Government Code.

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 182.052 of the Utilities Code. The city

must withhold the customer utility account numbers we have marked under section 552.136 of the Government Code. The remaining information must be released.
