Mr. Stephen A. Cumbie
Assistant City Attorney
City of Fort Worth

Fort Worth, Texas 76102

OR2013-08392

Dear Mr. Cumbie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 493589 (City PIR No. W025491).

The Fort Worth Police Department (the "department") received a request for information pertaining to a specified automobile accident. You state the department is releasing some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and provide documentation demonstrating, that the Tarrant County District Attorney's Office objects to release of the submitted information because it relates to a pending criminal prosecution, and release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning. The department provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with

the detection, investigation, or prosecution of crime. See Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-87; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). We note basic information does not include motor vehicle record information encompassed by section 552.130 of the Government Code. See ORD 127. Therefore, with the exception of the DIC-24 form and basic information, the department may withhold the remaining information under section 552.108(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license issued by a Texas agency, or an agency of another state or country, is excepted from public release. Gov't Code § 552.130(a)(1). Upon review, we find the department must withhold the driver's license information you have marked in the DIC-24 form under section 552.130 of the Government Code.

In summary, except for the driver's license information you have marked, which the department must withhold under section 552.130 of the Government Code, the department must release the DIC-24 form. With the exception of basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
