OR2013-09241

Dear Mr. Butler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 494318.

The Bedford Police Department (the "department"), which you represent, received a request for information pertaining to information pertaining to case number 2013-00013374. You state the department will release some of the requested information, , including the police officer's crash report pursuant to section 550.065 of the Transportation Code. *See* Transp. Code § 550.065(c)(4) (providing for release of accident report if requestor provides two of following three pieces of information: (1) date of accident, (2) name of any person involved in accident, and (3) specific location of accident). You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

¹Although you also raise section 552.101 of the Government Code in conjunction with section 552.130 of the Government Code, this office has concluded section 552.101 does not encompass other exceptions found in the Act. *See* Open Records Decision Nos. 676 at 1-2 (2002), 575 at 2 (1990). Accordingly, we do not address your argument under section 552.101.

body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending investigation. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a Statutory Warning and a Notice of Suspension. Because the Statutory Warning and Notice of Suspension have previously been provided to the arrestee, we find you have not shown how release of the documents will interfere with the detection, investigation, or prosecution of crime. *See Gov't Code* § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Gov't Code* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which you state has been released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the Statutory Warning and Notice of Suspension contain information that is subject to section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130. Accordingly, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the department must release the submitted Statutory Warning and Notice of Suspension; however, in releasing these documents, the department must withhold the marked motor vehicle record information under section 552.130 of the Government Code. With the exception of the basic information, which you state has been released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
