

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

June 5, 2013

Ms. Jacqueline E. Hojem
Public Information Coordinator
Metropolitan Transit Authority of Harris County
P.O. Box 61429
Houston, Texas 77208-1429

OR2013-09341

Dear Ms. Hojem:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 493915 (MTA No. 2013-0188).

The Metropolitan Transit Authority of Harris County (the "authority") received a request for a specified surveillance video. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the authority's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) general written comments stating the reasons why the state exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See Gov't Code* § 552.301(e). You state the authority received the request for information on April 29, 2013. Thus, the fifteen-business-day deadline was May 20, 2013. However, the envelope in which

you submitted the information required by section 552.301(e) bears a meter-mark of May 21, 2013. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the authority failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision Nos. 319 (1982), 586 (1991), 630 (1994). This office has held a compelling reason exists to withhold information when third party interests are at stake or when information is made confidential by another source of law. *See* Open Records Decision No. 150 (1977) (construing predecessor statute).

Although the authority claims an exception to disclosure under section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). However, the need of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason to withhold information from disclosure. *See* Open Records Decision No. 586 at 3 (1991). Because you inform us, and provide documentation showing, the Harris County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the authority may withhold the submitted information under section 552.108 on behalf of the district attorney's office.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

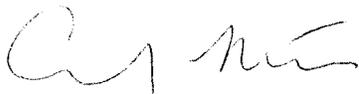

The district attorney's office submitted an affidavit which states the submitted information pertains to a pending prosecution for assault. Based on this representation, we determine the release of the information at issue would interfere with the detection, investigation, or

prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the authority may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
