Mr. Steven M. Kean
Deputy City Attorney
City of Tyler

OR2013-09763

Dear Mr. Kean:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 491325 (File No. RZX-652371).

The Tyler Police Department (the "department") received a request for information pertaining to the death of a named child. You claim the submitted information is excepted from disclosure under sections 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”² Gov’t Code § 552.101. Section 552.101 encompasses section 261.201(a) of the Family Code, which provides:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation of alleged child abuse or neglect under chapter 261 of the Family Code. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Family Code chapter 261); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). You have not indicated the department has adopted a rule that governs the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, the submitted information is confidential under section 261.201 of the Family Code and must be withheld under section 552.101 of the Government Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

³As our ruling is dispositive, we need not address your arguments under sections 552.108, 552.130, and 552.147 against disclosure.
