Dear Chief Grigg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 489798 (Police Department Request Nos. 190 and 191).

The Deer Park Police Department (the "department") received two requests from different requestors for the mug shot of a specified suspect, and one of the requestors also requests details of the specified case. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201(a) of the Family Code, which provides:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information, which pertains to an investigation of the offense of driving while intoxicated with child passengers, was used or developed in an investigation of alleged child abuse or neglect. *See id.* § 261.001 (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of chapter 261). You state that there are no local regulations adopted by the City of Deer Park that would permit or require the release of the submitted information. Accordingly, the submitted information is confidential under section 261.201(a) of the Family Code and must be withheld under section 552.101 of the Government Code. As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
