Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 490171 (CCPD File # RTor2).

The Corpus Christi Police Department (the "department") received a request for a specified police report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007(c) of the Family Code, which reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

Fam. Code § 58.007(c), (e). You contend the submitted information is confidential under section 58.007(c) of the Family Code. Section 58.007(c) is applicable to records of juvenile delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997. *See id.* § 51.03(a) (defining "delinquent conduct" and "conduct indicating a need for supervision" for purposes of section 58.007(c) of Family Code). The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See id.* § 51.02(2) (defining "child" for purposes of section 58.007(c) of Family Code). Upon review, we agree the submitted information involves juvenile delinquent conduct that occurred after September 1, 1997. As such, we find the information at issue is subject to section 58.007(c) of the Family Code. We note although the requestor is a parent of the juvenile suspects listed in the submitted report, the juveniles are now at least eighteen years old. Accordingly, the requestor no longer has a right of access to her adult children's records under section 58.007(e). *See id.* § 58.007(e). Therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
