

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 25, 2013

Mr. Charles H. Weir
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2013-10547A

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 496459 (COSA# W015498).

This office issued Open Records Letter No. 2013-10547 (2013) on June 21, 2013. We have examined this ruling and determined Open Records Letter No. 2013-10547 is incorrect. Where this office determines that an error was made in the decision process under sections 552.301 and 552.306, and that error resulted in an incorrect decision, we will correct the previously issued ruling. Consequently, this decision serves as the correct ruling and is a substitute for Open Records Letter No. 2013-10547. *See generally* Gov't Code § 552.011 (providing that Office of the Attorney General may issue a decision to maintain uniformity in application, operation, and interpretation of the Act).

The City of San Antonio (the "city") received a request for information pertaining to citation number S165014. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office

to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See* Gov't Code § 552.301(b). The city received the request for information on May 14, 2013. We understand the city was closed for business on May 27, 2013. Accordingly, you were required to request a decision from this office by May 29, 2013. However, you did not request a ruling from this office until June 7, 2013. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the city failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision Nos. 319 (1982), 586 (1991), 630 (1994). This office has held a compelling reason exists to withhold information when third party interests are at stake or when information is made confidential by another source of law. *See* Open Records Decision No. 150 (1977) (construing predecessor statute). Although the city claims an exception to disclosure under section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). However, the need of a governmental body other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information. *See* ORD 586 at 3. Because you inform us, and provide documentation showing, the Prosecution Division of the San Antonio City Attorney's Office (the "city attorney's office") objects to the release of the information at issue, we will consider whether the city may withhold the submitted information under section 552.108 on behalf of the city attorney's office.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.*

§§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The city attorney's office states the submitted information pertains to a pending prosecution. Based on this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the city attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Claire V. Morris Sloan
