Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 491390 (Killeen ID #W010402).

The City of Killeen (the "city") received a request for two specified calls for service and the pictures associated with a specified incident. You state you have released the calls for service. You claim the remaining requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that concluded in a final result other than a conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). You state the submitted pictures relate to a concluded criminal investigation that did not result in a conviction or deferred adjudication. Based on your representation and our review, we agree the city may withhold the requested pictures under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
