Dear Mr. Alicie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 491881.

The Baytown Police Department (the "department") received a request for video recordings pertaining to case number 2013-6397. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator's license or driver's license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See* Gov't Code § 552.130(a)(1)-(2). The submitted video recordings contain motor vehicle record information that is subject to section 552.130. You state the department does not have the technical capability to redact the information subject to section 552.130 in the submitted video recordings. Based on this representation, we agree the department must withhold the submitted recordings in their entirety under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
