Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 494058.

The City of Roanoke (the "city"), which you represent, received a request for 9-1-1 telephone calls, photographs, videos, reports, and notes pertaining to a specified accident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license or driver's license, motor vehicle title, or registration issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(1)-(2). You state the submitted video recording contains motor vehicle record information subject to section 552.130. Upon review, we find the submitted video recording contains motor vehicle record information that is excepted from disclosure under section 552.130. Because the city states it lacks the technological capability to redact such information from the video recording, we agree the city must withhold the submitted video recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
