Sergeant Michael Munson
Custodian of Records
Webster Police Department

Webster, Texas 77598

OR2013-12463

Dear Sergeant Munson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 493723.

The Webster Police Department (the "department") received a request for records pertaining to the murder of a named individual on a specified date. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime if release of the information would interfere with the detection, investigation, or prosecution of crime. Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body possesses information relating to a pending case of another law enforcement agency, the governmental body may withhold the information under section 552.108 if (1) it demonstrates the information relates to the pending case, and (2) this

office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information.

You state some of the submitted information relates to a pending criminal investigation by the South Houston Police Department (“SHPD”) and the remaining information pertains to a pending criminal investigation by the Texas Rangers. You explain the department acted as an assisting agency to these entities during their investigations. You have submitted documentation from SHPD and the Texas Rangers, in which both SHPD and the Texas Rangers object to release of the information at issue because their investigations have not been completed. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find section 552.108(a)(1) is applicable to the information at issue.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of SHPD and the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
