Dear Mr. Overcash:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 498849 (City File No. C03029PIR20130618-01).

The City of Anna (the "city") received a request for information pertaining to a specified automobile accident. You state the city is releasing some information. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you have marked relates to a pending criminal investigation. Based upon this representation, we conclude section 552.108(a)(1) is applicable to the information you have marked, and the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the city may withhold the information you have marked under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code excepts from disclosure information related to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country and a motor vehicle title or registration issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(1)-(2). The information you have marked pertains to a living individual and a deceased individual. The purpose of section 552.130 is to protect the privacy interests of individuals. Because the right of privacy lapses at death, motor vehicle record information that pertains solely to deceased individuals may not be withheld under section 552.130. *See Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. App.—Texarkana 1979, writ ref'd n.r.e.); *see also* Attorney General Opinions JM-229 (1984); H-917 (1976); Open Records Decision No. 272 at 1 (1981). Consequently, the city may not withhold the deceased's driver's license information, which we have marked for release, under section 552.130 of the Government Code. The city must withhold the remaining information you have marked under section 552.130.

In summary, the city may withhold the information you have marked under section 552.108(a)(1) of the Government Code. With the exception of the deceased's driver's license information we have marked for release, the city must withhold the information you have marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
