

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 30, 2013

Ms. Lysia H. Bowling
City Attorney
City of San Angelo
72 West College Avenue
San Angelo, Texas 76903-5814

OR2013-13148

Dear Ms. Bowling:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 499374.

The City of San Angelo (the "city") received a request for police report number 2013-0007502. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime if release of the information would interfere with the detection, investigation, or prosecution of crime. Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body possesses information relating to a pending case of another law enforcement agency, the governmental body may withhold the information under section 552.108 if (1) it demonstrates the information relates to the pending case, and (2) this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information.

You state the submitted information relates to a pending criminal investigation by the Texas Rangers. You have provided a copy of a letter in which the Texas Rangers state the

investigation is on-going and release of the information could interfere with the investigation. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Based upon these representations, we find release of the information would interfere with the detection, investigation, or prosecution of crime.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-187; see also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
