OR2013-13201

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 499362 (COSA File No. W016513).

The San Antonio Police Department (the "department") received a request for eight categories of information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, including chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(c) states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with

two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has not provided two of the three pieces of required information for release of the submitted CR-3 accident report. Thus, we find the department must withhold the CR-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal case, and release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186–87; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). We note basic information does not include motor vehicle record information encompassed by section 552.130 of the Government Code. *See* ORD 127. Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining information under section 552.108(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license issued by a Texas agency, or an agency of another state or country, is excepted from public release. Gov’t Code § 552.130(a)(1). Upon review, we find the department must withhold the driver’s license information we have marked in the DIC-24 and DIC-25 forms under section 552.130 of the Government Code.

In summary, the department must withhold the CR-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Except for the driver's license information we have marked, which the department must withhold under section 552.130 of the Government Code, the department must release the DIC-24 and DIC-25 forms. With the exception of basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
