Dear Ms. Spalding:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 498198 (EISD Request No. 3671).

The Eanes Independent School District (the "district"), which you represent, received a request for the current annual evaluation of a specified teacher. The district claims the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 21.355 of the Education Code. Section 21.355(a) provides "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). Additionally, the court has concluded that a written reprimand constitutes an evaluation for purposes of section 21.355 as it "reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *N. E. Indep. Sch. Dist.*

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

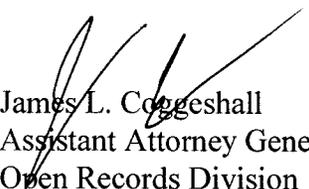

v. Abbott, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher. *See* Open Records Decision No. 643 at 3 (1996). We also determined a “teacher” for purposes of section 21.355 means a person who (1) is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code or a school district teaching permit under section 21.055 and (2) is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

You assert the information at issue evaluates the performance of a teacher who holds the appropriate certificate for the purpose of section 21.355. Upon review, we find the submitted information is confidential under section 21.355. Therefore, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. James L. Coggeshall
