Assistant City Attorney

OR2013-13940

Dear Ms. Folsom:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 501103 (GC No. 20698).

The Houston Emergency Center (the "HEC") received a request for all 9-1-1 calls related to incident number 085081213B. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to a concluded criminal case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to a criminal case that has reached a conclusion other than a

conviction or deferred adjudication and a representation from the law enforcement agency that it wishes to have the information withheld.

You state the Houston Police Department (the "department") has advised the HEC the submitted is related to a concluded criminal investigation that did not result in conviction or deferred adjudication. Based on your representation, we conclude the HEC may withhold the information under section 552.108(a)(2) of the Government Code on behalf of the department.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
