Ms. Michelle M. Kretz
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, Third Floor
Fort Worth, Texas 76102

OR2013-14586

Dear Ms. Kretz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 497067 (PIR No. W026200).

The City of Fort Worth (the "city") received a request for "new residential [alarm] permits" for a specified time period. You state the city will redact certain motor vehicle record information pursuant to section 552.130(c) of the Government Code.¹ You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 1702.284(a) of the Occupations Code, which provides:

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Act of May 6, 2013, 83rd Leg., R.S., S.B. 458, § 1 (to be codified as an amendment to Gov't Code § 552.130(c)). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See* Gov't Code § 552.130(d), (e).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Information contained in alarm systems records maintained by a governmental body that concerns the location of an alarm system, the name of the occupant of an alarm system location, or the type of alarm system used is confidential and may be disclosed only to the [Texas Private Security Board], to the alarm company to which the confidential records relate, or as otherwise required by state law or court order.

Occ. Code § 1702.284(a); *see also id.* § 1702.002(1)(A)(ii) (defining “alarm system” as electronic equipment and devices designed to detect or signal the occurrence of a robbery or other emergency). Upon review, we find the information you have marked consists of alarm system information made confidential by section 1702.284. Accordingly, the city must withhold the marked information under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code. The remaining information at issue must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Cindy Nettles
