Mr. Craig Purifoy

Texas Department of Family and Protective Services

OR2013-14602

Dear Mr. Purifoy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 498291 (DFPS ORR No. 06172013UUR).

The Texas Department of Family and Protective Services (the "department") received a request for copies of the evaluation, review, and scoring materials related to the requestor's proposals for the 2012 Foster Care Redesign Project for Regions 7 and 11 and copies of the evaluation, review, and scoring materials of all the applicants for the 2012 Foster Care Redesign Project for Region 7. You state you have released some information. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Arrow Child and Family Ministries of Texas ("Arrow") and The Bair Foundation of Texas ("Bair"). Accordingly, you state you notified Arrow and Bair of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

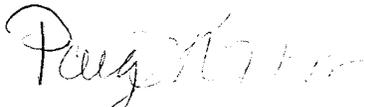

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code

§ 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Arrow or Bair explaining why the submitted information should not be released. Therefore, we have no basis to conclude Arrow or Bair have a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the department may not withhold the submitted information on the basis of any proprietary interest Arrow or Bair may have in the information. As no exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Paige Thompson
