

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 26, 2013

Mr. Brad Bowman
General Counsel
Texas Department of Licensing and Regulation
P.O. Box 12157
Austin, Texas 78711

OR2013-14845

Dear Mr. Bowman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 498509 (TDLR# 9353).

The Texas Department of Licensing and Regulation (the "department") received a request for information pertaining to a specified case number. The department states it intends to provide some of the requested information to the requestor but claims some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses laws that make criminal history record information ("CHRI") confidential. CHRI generated by the National Crime Information Center or by the Texas Crime Information Center is confidential under federal and state law. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* at 10-12. Section 411.083 of the Government Code deems confidential CHRI the Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083.

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Sections 411.093 and 411.122 of the Government Code both provide the department is entitled to obtain from DPS CHRI that relates to a person who is a holder of a license issued by the department. *See id.* §§ 411.093, 411.122. However, the department may not release CHRI except as provided by chapter 411. *See id.* §§ 411.083, 411.084(c) (agency may not confirm existence or nonexistence of CHRI to any person not eligible to receive the information). Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code. Upon review, we agree the information you have marked under chapter 411 consists of CHRI obtained by the department from DPS regarding a licensee. Therefore, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with federal law and chapter 411 of the Government Code.

Section 552.130(a) of the Government Code provides the following:

Information is excepted from the requirements of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country;
- (2) a motor vehicle title or registration issued by an agency of this state or another state or country; or
- (3) a personal identification document issued by an agency of this state or another state or country or a local agency authorized to issue an identification document.

Gov't Code § 552.130. The department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.² The remaining information you seek to withhold under section 552.130 does not relate to motor vehicle record information or a personal identification document issued by a Texas agency or another

²We note Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold certain information, including Texas license plate numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision. However, the Texas legislature amended section 552.130 to allow a governmental body to redact the information described in subsection 552.130(a) of the Government Code without the necessity of seeking a decision from the attorney general. Act of May 6, 2013, 83rd Leg., R.S., S.B. 458, § 1 (to be codified as an amendment to Gov't Code § 552.130(c)). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See* Gov't Code § 552.130(d), (e). Thus, the statutory amendment to section 552.130 of the Government Code supercedes Open Records Decision No. 684. Therefore, a governmental body may redact information subject to subsection 552.130(a) only in accordance with section 552.130, not Open Records Decision No. 684.

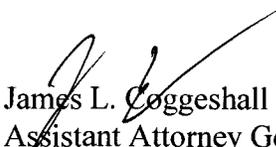

state or country or a local agency authorized to issue an identification document, and the department may not withhold it on that ground.

To conclude, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with federal law and chapter 411 of the Government Code. The department must also withhold the information we have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
