Ms. Tiffany Bull  
Assistant City Attorney  
City of Arlington Police Department  
P.O. Box 1065, Mail Stop 04-0200

OR2013-14958

Dear Ms. Bull:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 499870 (PD Reference No. 11975).

The City of Arlington (the "city") received a request for (1) civil service disciplinary memos, (2) disciplinary memos for non-civil service employees that resulted in a suspension of at least one day, and (3) terminations for employees for the previous seven days. The city states it has provided some of the requested information to the requestor but claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. See Gov't Code §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

relating to an investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a governmental body possesses information relating to a pending case of a law enforcement agency, the governmental body may withhold the information under section 552.108(a)(1) if it demonstrates the information relates to the pending case and this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information. You have submitted correspondence from the Federal Bureau of Investigations (the "FBI") to the city in which the FBI objects to the release of the information at issue because it could interfere with an ongoing criminal investigation or prosecution. Based on this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the city may withhold the submitted information on behalf of the FBI under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

James L. Coggeshall
