

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 28, 2013

Mr. Charles H. Weir
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2013-15037

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502393 (COSA File No. W017094).

The San Antonio Police Department (the "department") received a request for information related to the requestor's citation, including "vehicle footage," the names of officers dispatched to the scene, certifications of a named officer, and vehicle and radar maintenance logs. You state the department has no information responsive to several parts of the request.¹ You claim the submitted information, consisting of certifications obtained by the named officer, is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request. *See Gov't Code* § 552.301(b). The department received the request for information on July 18, 2013. Thus, the ten-business-day deadline for requesting a ruling from this office was August 1, 2013. However, your letter requesting a decision from this office was

¹In responding to a request for information under the Act, a governmental body is not required to disclose information that did not exist at the time the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990).

submitted to this office in an envelope meter-marked August 6, 2013. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the department failed to comply with the requirements of section 552.301(b).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released unless the governmental body overcomes this presumption by demonstrating a compelling reason to withhold the information. *Id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). A compelling reason generally exists when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3, 325 at 2 (1982). Because section 552.101 can provide a compelling reason to withhold information, we will consider the applicability of this exception to the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. This section encompasses information made confidential by other statutes. We understand that the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 of the Local Government Code contemplates two different types of personnel files, a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a department investigates a police officer's misconduct and takes disciplinary action against a police officer, it is required by section 143.089(a)(2) of the Local Government Code to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a) of the Local Government Code. *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Chapter 143 of the Local Government Code prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *See* Local Gov't Code §§ 143.051-.055. Such records are subject to release under the Act. *See id.* § 143.089(f); Open Records Decision No. 562 at 6 (1990).

However, a document relating to a police officer's alleged misconduct may not be placed in his civil service personnel file if there is insufficient evidence to sustain the charge of misconduct. Local Gov't Code § 143.089(b). In addition, section 143.089(c) states that a document relating to alleged misconduct or disciplinary action against an officer must be removed from the officer's civil service file if it is found that the disciplinary action was taken without just cause. *See id.* § 143.089(c). Information that reasonably relates to a police officer's employment relationship with the department and that is maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You state the submitted information is contained within the department's internal files maintained pursuant to section 143.089(g) of the Local Government Code. Based on your representation and our review, we find the submitted information is confidential under section 143.089(g) of the Local Government Code and must be withheld from disclosure under section 552.101 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²Section 143.089(g) requires a police or fire department that receives a request for information maintained in a file under section 143.089(g) to refer that person to the civil service director or the director's designee.
