GREG ABBOTT

September 3, 2013

Mr. C. Tyler Atkinson
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2013-15266

Dear Mr. Atkinson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 503254 (ORR# W027858).

The City of Fort Worth (the "city") received a request for information pertaining to a specified incident involving a named individual. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 773.091 of the Health and Safety Code, which provides in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). The submitted information consists of records made and maintained by emergency medical services personnel. Upon review, we find section 773.091 is applicable to the submitted information. Thus, with the exception of the information subject to section 773.091(g), which is not confidential, the city must withhold the submitted EMS records under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code. As you raise no further exceptions to disclosure, the city must release the information subject to section 773.091(g).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
