Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502584.

VIA Metropolitan Transit ("VIA") received a request for information pertaining to a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). By its terms, section 552.108 applies only to a law enforcement agency or a prosecutor. This office has determined, however, that where an incident involving alleged criminal conduct is still under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information that relates to the incident. *See Open Records Decision Nos. 474 (1987), 372 (1983)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information

relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides the attorney general with a demonstration that the information relates to a pending case and a representation from the law enforcement entity that it wishes to withhold the information. You state the submitted information is the subject of a criminal investigation being conducted by the San Antonio Police Department (the "department"). Further, you have provided this office with an affidavit from a department officer that states the criminal investigation is ongoing and release of the information at issue would hinder the investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Based on these representations and our review, we agree VIA may withhold the submitted information under section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Paige Lay
