

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 9, 2013

Mr. Bill Delmore
Assistant District Attorney
9th Judicial District
Montgomery County
207 West Phillips, 2nd Floor
Conroe, Texas 77301

OR2013-15685

Dear Mr. Delmore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 498746.

The Montgomery County District Attorney's Office (the "district attorney's office") received a request for information regarding a specified investigation. You state you are providing some information to the requestor. You claim the remaining requested information is excepted from disclosure under sections 552.108 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes a CR-3 report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). However,

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. In this instance, the requestor has provided the district attorney's office with the required information pursuant to section 550.065(c)(4). Although you seek to withhold this information under sections 552.108 and 552.111 of the Government Code, we note a statutory right of access prevails over the general exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Accordingly, the submitted CR-3 report, which we have marked, must be released pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.111 excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. This exception encompasses the attorney work product privilege found in rule 192.5 of the Texas Rules of Civil Procedure. *City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 360 (Tex. 2000); ORD 677 at 4-8. Rule 192.5 defines work product as:

- (1) material prepared or mental impressions developed in anticipation of litigation or for trial by or for a party or a party's representatives, including the party's attorneys, consultants, sureties, indemnitors, insurers, employees, or agents; or
- (2) a communication made in anticipation of litigation or for trial between a party and the party's representatives or among a party's representatives, including the party's attorneys, consultants, sureties, indemnitors, insurers, employees or agents.

TEX. R. CIV. P. 192.5. A governmental body seeking to withhold information under this exception bears the burden of demonstrating that the information was created or developed for trial or in anticipation of litigation by or for a party or a party's representative. *Id.*; ORD 677 at 6-8. In order for this office to conclude that the information was made or developed in anticipation of litigation, we must be satisfied that:

- a) a reasonable person would have concluded from the totality of the circumstances surrounding the investigation that there was a substantial chance that litigation would ensue; and b) the party resisting discovery believed in good faith that there was a substantial chance that litigation would

ensue and [created or obtained the information] for the purpose of preparing for such litigation.

Nat'l Tank Co. v. Brotherton, 851 S.W.2d 193, 207 (Tex. 1993). A “substantial chance” of litigation does not mean a statistical probability, but rather “that litigation is more than merely an abstract possibility or unwarranted fear.” *Id.* at 204; ORD 677 at 7.

The work product doctrine under section 552.111 of the Government Code is applicable to litigation files in criminal and civil litigation. *Curry v. Walker*, 873 S.W.2d 379, 381 (Tex. 1994); see *U.S. v. Nobles*, 422 U.S. 225, 236 (1975). In *Curry*, the Texas Supreme Court held that a request for a district attorney’s “entire file” was “too broad” and, citing *National Union Fire Insurance Co. v. Valdez*, 863 S.W.2d 458, 460 (Tex. 1993), held that “the decision as to what to include in [the file] necessarily reveals the attorney’s thought processes concerning the prosecution or defense of the case.”² *Id.* at 380. Accordingly, if a requestor seeks an attorney’s entire litigation file, and a governmental body demonstrates that the file was created in anticipation of litigation, we will presume that the entire file is excepted from disclosure under the attorney work product aspect of section 552.111. ORD 647 at 5; see *Nat'l Union*, 863 S.W.2d at 461 (organization of attorney’s litigation file necessarily reflects attorney’s thought processes).

You contend the request for information encompasses the entire prosecution file of the district attorney’s office concerning two cases that are pending prosecution. You inform us the information at issue was compiled by the district attorney’s office in preparation for trial and reflects the legal reasoning and thought processes of the prosecutor. Therefore, we conclude the district attorney’s office may withhold the remaining information as attorney work product under section 552.111 of the Government Code.³

In summary, the district attorney’s office must release the CR-3 report we have marked pursuant to section 550.065(c)(4) of the Transportation Code. The district attorney’s office may withhold the remaining information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²We note, however, that the court in *National Union* also concluded that a specific document is not automatically considered to be privileged simply because it is part of an attorney’s file. 863 S.W.2d at 461. The court held that an opposing party may request specific documents or categories of documents that are relevant to the case without implicating the attorney work product privilege. *Id.*; Open Records Decision No. 647 at 5 (1996).

³As our ruling for this information is dispositive, we need not address your remaining argument against its release.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
