

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 12, 2013

Mr. John R. Batoon
Assistant City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950-1890

OR2013-15887

Dear Mr. Batoon:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 503744 (13-1026-3274).

The El Paso Police Department (the "department") received a request for information pertaining to a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.*

In this instance, the requestor has provided the department with the requisite information for release of the CR-3 accident report. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under the general exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the CR-3 accident report in its entirety to the requestor pursuant to section 550.065(c)(4) of the Transportation Code.

We next address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication.

We understand the information at issue relates to a concluded investigation which you state did not result in conviction or deferred adjudication. Based on your representation and our review, we find the department has demonstrated the information at issue relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication.

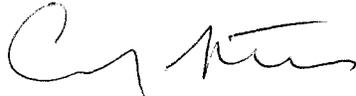

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* 531 S.W.2d at 186-188; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The department must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. Therefore, with the exception of basic information, the department may withhold the remaining requested information under section 552.108(a)(2) of the Government Code.

In summary, the department must release the CR-3 accident report pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
