Mr. Charles H. Weir

OR2013-16222

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 504325 (COSA W017723).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the requisite information for the CR-3 crash report. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public

under the general exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the city must release this report in its entirety to the requestor.

Next, we note the remaining information is the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2013-14341 (2013). In that decision, we ruled that basic information and the DIC-24 and DIC-25 forms must be released; however, in releasing the DIC-24 and DIC-25 forms, the information we marked was excepted under section 552.130 of the Government Code and the remaining information may be withheld under section 552.108(a)(1) of the Government Code. As we have no indication that the law, facts, or circumstances on which the prior ruling was based have changed, the city must continue to rely on that ruling as a previous determination and continue to withhold or release any previously ruled upon information in accordance with that prior ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

In summary, the city must release the submitted CR-3 accident report under section 550.065(c) of the Transportation Code. The city must withhold or release the remaining information in accordance with Open Records Letter No. 2013-14341.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open\\_orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open_orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Paige Lay  
Assistant Attorney General
