Mr. Bruce P. Sadler
Assistant District Attorney
District Attorney's Office, 47th Judicial District of Texas
501 South Fillmore, Suite 5A

OR2013-16918

Dear Mr. Sadler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 505299.

The District Attorney's Office for the 47th Judicial District of Texas (the "district attorney's office") received a request for the entire files of three specified cases. You assert the district attorney's office need not comply with the request to release the requested information pursuant to section 552.028 of the Government Code. We have considered your argument. We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.028 of the Government Code provides, in relevant part:

(a) A governmental body is not required to accept or comply with a request for information from:

(1) an individual who is imprisoned or confined in a correctional facility; or

(2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under [the Act].

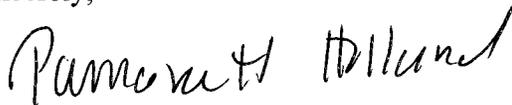

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Id. § 552.028(a)-(b). You state the requestor is an inmate confined in a correctional facility. *See id.* § 552.028(c) ("correctional facility" is a place for the confinement of a person arrested for, charged with, or convicted of a criminal offense). Thus, we agree the district attorney's office need not comply with the request for information from the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
