Mr. Marc Allen Connelly
Deputy General Counsel
Texas Department of State Health Services
P.O. Box 149347
Austin, Texas 78714-9347

OR2013-17122

Dear Mr. Connelly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 501428 (DSHS OR File No. 21957/2013).

The Texas Department of State Health Services (the "department") received a request for certain enforcement action documents.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the Texas Abortion Facility Reporting and Licensing Act, chapter 245 of the Health and Safety Code. Section 245.011(d) provides:

¹We note the department sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

(d) Except as provided by Section 245.023, all information and records held by the department under [chapter 245 of the Health and Safety Code] are confidential and are not open records for the purposes of [the Act]. That information may not be released or made public on subpoena or otherwise, except that release may be made:

- (1) for statistical purposes, but only if a person, patient, or abortion facility is not identified;
- (2) with the consent of each person, patient, and abortion facility identified in the information released;
- (3) to medical personnel, appropriate state agencies, or county and district courts to enforce this chapter; or
- (4) to appropriate state licensing boards to enforce state licensing laws.

Health & Safety Code § 245.011(d). Section 245.023 of the Health and Safety Code provides in part:

(a) The department on request shall make the following information available to the public:

- (1) the status of the license of any abortion facility;
- (2) the date of the last inspection of the facility, any violation discovered during that inspection that would pose a health risk to a patient at the facility, any challenge raised by the facility to the allegation that there was a violation, and any corrective action that is acceptable to the department and that is being undertaken by the facility with respect to the violation; and
- (3) an administrative or civil penalty imposed against the facility or a physician who provides services at the facility, professional discipline imposed against a physician who provides services at the facility, and any criminal conviction of the facility or a physician who provides services at the facility that is relevant to services provided at the facility.

...

(e) This section does not authorize the release of the name, address, or phone number of any employee or patient of an abortion facility or of a physician who provides services at an abortion facility.

Id. § 245.023(a), (e). You state the information you have marked, which pertains to abortion facilities, is governed by chapter 245 of the Health and Safety Code. You assert the current request does not fall within the four types of disclosure permitted under section 245.011(d). Accordingly, with the exception of the information subject to section 245.023(a), the department must withhold the information you have marked, and the additional information we have marked, under section 552.101 of the Government Code in conjunction with section 245.011(d) of the Health and Safety Code. As your raise no further exception to disclosure of the remaining information, it must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
