GREG ABBOTT

October 3, 2013

Mr. Mitch Satterwhite
Supervising Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79408-2000

OR2013-17283

Dear Mr. Satterwhite:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 503076.

The City of Lubbock (the "city") received a request for the electricity cost and usage for a specified address and time period. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.133 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.133 of the Government Code excepts from disclosure a public power utility's information that is "reasonably related to a competitive matter." Gov't Code § 552.133(b). Section 552.133 provides, in relevant part:

(a) In this section, "public power utility" means an entity providing electric or gas utility services that is subject to the provisions of this chapter.

(a-1) For purposes of this section, "competitive matter" means a utility-related matter that is related to the public power utility's competitive activity, including commercial information, and would, if disclosed, give advantage to competitors or prospective competitors. The term:

(1) means a matter that is reasonably related to the following categories of information:

...

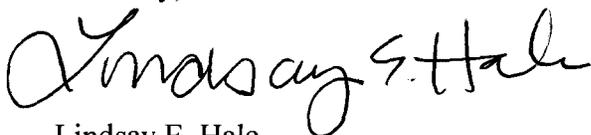

(F) customer billing, contract, and usage information, electric power pricing information, system load characteristics, and electric power marketing and analyses and strategies[.]

Id. § 552.133(a), (a-1)(1)(F). Section 552.133(a-1)(2) provides fifteen categories of information that are not competitive matters. *Id.* § 552.133(a-1)(2). You state the city owns and operates a public power utility subject to section 552.133. You assert the submitted information pertains to the public power utility's competitive activity, specifically identified by section 552.133(a-1)(1)(F). Further, the information at issue is not among the fifteen categories of information expressly excluded from the definition of "competitive matter" by section 552.133(a-1)(2). *See id.* Based on your representations and our review, we find the submitted information relates to competitive matters as defined by section 552.133(a-1). Thus, we conclude the city must withhold the submitted information under section 552.133 of the Government Code. As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
