

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

Mr. Frank Sanders
Legal Services Division
Harris County Appraisal District
P.O. Box 920975

OR2013-17307

Dear Mr. Sanders:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 501422 (HCAD Open Records Request No. 0070430170020).

The Harris County Appraisal District (the "district") received two requests for documents submitted in specified hearings from the same requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.149 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, the district acknowledges, and we agree, you failed to comply with the procedural requirements of section 552.301 of the Government Code. A governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See* Gov't Code § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). The presumption that information is public under section 552.302 can generally be overcome by demonstrating the information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3, 325 at 2 (1982). Sections 552.101 and 552.149 of the Government Code can provide compelling reasons to overcome this presumption. Therefore, we will consider whether section 552.149 requires the district to withhold the submitted information.

Section 552.149 of the Government Code provides, in relevant part:

(a) Information relating to real property sales prices, descriptions, characteristics, and other related information received from a private entity by the comptroller or the chief appraiser of an appraisal district under Chapter 6, Tax Code, is excepted from the requirements of [the Act].

(b) Notwithstanding Subsection (a), the property owner or the owner's agent may, on request, obtain from the chief appraiser of the applicable appraisal district a copy of each item of information described by Section 41.461(a)(2), Tax Code, and a copy of each item of information that the chief appraiser took into consideration but does not plan to introduce at the hearing on the protest. In addition, the property owner or agent may, on request, obtain from the chief appraiser comparable sales data from a reasonable number of sales that is relevant to any matter to be determined by the appraisal review board at the hearing on the property owner's protest[.]

Gov't Code § 552.149(a)-(b). The Eighty-second Texas Legislature amended section 552.149 to limit the applicability of subsections 552.149(a) and (b) to those counties having a population of 50,000 or more. *Id.* § 552.149(e). We note Harris County has a population of 50,000 or more. The legislative history of the statutory predecessor to section 552.149 indicates it was enacted as a result of the issuance of several open records rulings of this office in which we ruled information provided by the multiple listing service (the "MLS") to appraisal districts under confidentiality agreements is subject to required public disclosure under the Act. House Comm. on State Affairs, Bill Analysis, Tex. Comm. Substitute H.B. 2188, 80th Leg., R.S. (2007). Because of these rulings, many MLS agencies stopped providing sales information to appraisal districts. The bill analysis of House Bill 2188 states the purpose of this statute is to allow the relationships between the MLS and appraisal districts to continue. *Id.* In this instance, you state the submitted information relates to real property sales and was provided to the district by private entities. You state the requestor is not an owner of the properties at issue or the agent of such an owner. Based on your representations and our review, we find the district must withhold the submitted information under section 552.149(a) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹Because our ruling is dispositive, we need not address your remaining argument against disclosure.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.
