Ms. Rachel L. Lindsay
Counsel for the Town of Flower Mound
Brown & Hofmeister, L.L.P.
740 East Campbell Road, Suite 800
Richardson, Texas 75081

OR2013-17326

Dear Ms. Lindsay:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 501389 (Ref. Nos. 474-13, 485-13, and 485-13(A)).

The Town of Flower Mound (the "town"), which you represent, received three requests from the same requestor for information pertaining to a specified incident and a specified park. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 826.0211 of the Health and Safety Code, which provides in part:

(a) Information contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the certificate or record may not include

the social security number or the driver's license number of the owner of the vaccinated animal.

Health & Safety Code § 826.0211(a). We note section 826.0211 is applicable only to information contained in a rabies vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. The information in Exhibit C consists of rabies certificates. Therefore, the owner's identifying information within the rabies certificates, which we have marked, must be withheld under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. However, upon review, we find the remaining information at issue is not made confidential by section 826.0211 and may not be withheld under section 552.101 of the Government Code on that basis.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[I]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information in Exhibit B pertains to an active criminal investigation by the town's police department. Based on your representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) of the Government Code is applicable to the information in Exhibit B.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of basic information, the town may withhold the information in Exhibit B under section 552.108(a)(1) of the Government Code.

In summary, the town must withhold the information we have marked in Exhibit C under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. With the exception of the basic information, the town may withhold the information in Exhibit B under section 552.108(a)(1) of the Government Code. The town must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
