General Counsel  
Texas Health and Human Services Commission

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 501736.

The Texas Health and Human Services Commission (the "commission") received a request for all information pertaining to job posting numbers 231479 and 231236, including interview records, scoring sheets, and notes. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.122(b) of the Government Code excepts from disclosure "[a] test item developed by a . . . governmental body[.]" Gov't Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined the term "test item" in section 552.122 includes "any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated," but does not encompass evaluations of an employee's overall job performance or suitability. ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* Traditionally, this office has applied section 552.122 where release of "test items" might compromise the

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

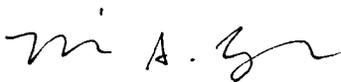

effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold the submitted interview questions and answers under section 552.122. You state the commission uses the interview questions at issue on a continuing basis during the commission's hiring process, and release of the information at issue would compromise the effectiveness of the commission's interview and hiring process. Having considered your arguments and reviewed the submitted information, we find the submitted interview questions qualify as test items under section 552.122(b) of the Government Code. We also find the release of the answers to these questions would tend to reveal the questions themselves. Therefore, the commission may withhold the submitted information under section 552.122(b) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
