Mr. Buck Brice
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277

OR2013-17837

Dear Mr. Brice:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502606 (CCPD File No. EZav1).

The Corpus Christi Police Department (the "department") received a request for a specified police report and pictures. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

in *Industrial Foundation*. Accordingly, the department must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, you have failed to demonstrate the remaining information you have marked is highly intimate or embarrassing and of no legitimate public interest. Thus, the remaining information you have marked may not be withheld under section 552.101 of the Government Code in conjunction with common-law privacy.

We note the remaining information contains information subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle title or registration issued by an agency of this state or another state or country is excepted from public release.² Gov't Code § 552.130(a)(2). Upon review, we find the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the department must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy and section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
