

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

October 21, 2013

Mr. Steven E. Meyer  
Assistant City Attorney  
Arlington Police Department  
P.O. Box 1065  
Arlington, Texas 76004-1065

OR2013-18264

Dear Mr. Meyer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502904 (Police Dept. Reference No. 12313).

The Arlington Police Department (the "department") received a request for all investigative reports and files regarding report number 130023645, with the exception of the accident report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor specifically excluded from her request the accident report. Therefore, the submitted accident report is not responsive to this request. This ruling does not address the public availability of any information that is not responsive to the request and the department is not required to release such information in response to this request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007(c) of the Family Code, which reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c); *see id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating need for supervision” for purposes of Fam. Code title 3). For purposes of section 58.007(c), a “child” is a person who was ten years of age or older and under seventeen years of age at the time the conduct occurred. *Id.* § 51.02(2). We note the responsive information involves a traffic accident. Section 58.007 does not make information related to traffic offenses confidential. *See id.* §§ 51.02(16) (defining traffic offense), .03(a) (delinquent conduct does not include traffic offense), .03(b) (conduct indicating need for supervision does not include traffic offense). Therefore, the department may not withhold any of the responsive information under section 552.101 on the basis of section 58.007 of the Family Code.

We note some of the responsive information is subject to section 552.130 of the Government Code.<sup>1</sup> Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov’t Code* § 552.130. Accordingly, we find the department must withhold the motor vehicle record information we have marked and noted

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).*

in the submitted photographs and audio recordings under section 552.130 of the Government Code.<sup>2</sup> The department must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
