Ms. Lysia H. Bowling
City Attorney
City of San Angelo

OR2013-18285

Dear Ms. Bowling:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502971.

The San Angelo Fire Department (the "department") received a request for all medical records and billing records related to a named individual. You state you have released all requested billing records to the requestor. You claim the requested medical records are excepted from disclosure under sections 552.103 and 552.108 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending

¹Although you raise section 552.101 of the Government Code, you have not provided any arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See Gov't Code* §§ 552.301, .302.

case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You provide a representation from the Texas Rangers that the submitted information is related to an active and ongoing investigation. The Rangers also request that the submitted information be withheld. Based on this representation, we find the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers. As our ruling is dispositive, we need not address your remaining argument against disclosure.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²This ruling does not affect an individual's right of access to a patient's EMS records from the EMS provider. *See* Health & Safety Code §§ 773.092, .093; *cf. Abbott v. Tex. State Bd. of Pharmacy*, 391 S.W.3d 253 (Tex. App.—Austin 2012, no pet.) (Medical Practice Act does not provide patient general right of access to his or her medical records from governmental body responding to request for information under Public Information Act).
