

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 23, 2013

Ms. Sharon Alexander
Associate General Counsel
Texas Department of Transportation
125 East 11th Street
Austin, Texas 78701-2483

OR2013-18453

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 503466.

The Texas Department of Transportation (the "department") received a request for (1) copies of all videotapes, digital images, and video recordings taken by toll road cameras pertaining to a specified accident at a specified date and time; and (2) records showing the date, time, and location during which a specified vehicle passed through the toll sensors on a specified road.¹ You state you do not have information responsive to the first portion of the request.² You claim the submitted information is excepted from disclosure under section 552.101 of

¹You state the department sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.³

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” *Id.* § 552.101. This exception encompasses information that other statutes make confidential, such as section 228.057 of the Transportation Code, which provides in part:

(e) Electronic toll collection customer account information, including contact and payment information and trip data, is confidential and not subject to disclosure under Chapter 552, Government Code.

Transp. Code § 228.057(e). The term “customer” is not defined in the Transportation Code. We note “customer” is generally defined as “a buyer, purchaser, consumer, or patron” or “one who regularly or repeatedly makes purchases of, or has business dealings with, a tradesman or business.” BLACK’S LAW DICTIONARY 386 (6th ed. 1990); *see Henderson v. Central Power & Light Co.*, 977 S.W.2d 439, 447 (Tex. App.—Corpus Christi 1998, pet. denied) (quoting same definition from BLACK’S LAW DICTIONARY 348 (5th ed. 1979)); WEBSTER’S THIRD NEW INTERNATIONAL DICTIONARY 559 (2002) (defining “customer” as “one that purchases some commodity or service”).

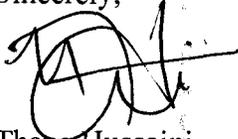

You contend the submitted information consists of electronic toll collection customer account information. You state the information at issue pertains to an actual customer that has business dealings with a toll facility and has regularly or repeatedly made purchases from the toll facility. Based on your representations and our review, we find the submitted information falls within the scope of section 228.057(e). *See* Transp. Code § 228.057(e) (for purposes of Transp. Code § 228.057, “account information” includes contact and payment information and trip data). Thus, in accordance with the express language of the statute, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 228.057(e) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³We assume that the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
