OR2013-18988

Dear Ms. Spalding:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 504438 (ORR# 4197).

The Eanes Independent School District (the "district"), which you represent, received a request for a budget pertaining to payment for a specified water line. You claim the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

We must address the district's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). The district received the request for information on August 15, 2013. As of this date, you have not submitted to this office written comments stating the reasons why your claimed exceptions apply or a copy or representative sample of the information requested. Accordingly, we conclude the district failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third party interests. *See* Open Records Decision No. 630 (1994). Because the district has failed to comply with the procedural requirements of the Act, the district has waived its claim under section 552.103 of the Government Code. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision No. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
