Office of General Counsel

OR2013-20159

Dear Ms. Vieira:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 506198 (OGC# 151844).

The University of Texas Southwestern Medical Center (the "university") received a request for the awarded bid proposal as well as the bid tabulation pertaining to a specified request for proposals. You state you are releasing the requested bid tabulation. We understand you will redact social security numbers pursuant to section 552.147(b) of the Government Code.¹ Although you state the university takes no position with respect to the public availability of the submitted information, you state release of this information may implicate the proprietary interests of Alman Construction Services, LP ("Alman"). Accordingly, you state and provide documentation showing, you have notified Alman of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permitted governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under the circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Alman explaining why any of its requested information should not be released. Therefore,

¹Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting an attorney general decision under the Act. *See* Gov't Code § 552.147(b).

we have no basis to conclude Alman has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the university may not withhold any portion of the submitted information on the basis of any proprietary interests Alman may have in the information. As no exceptions to disclosure were raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Sarah Casterline
