Dear Ms. Gambini:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 507340.

The City of Irving (the "city") received a request for information pertaining to RFP# 164D-13F. The city states it has released some of the requested information. You do not take a position as to whether the submitted information is excepted from disclosure under the Act. However, you state, and provide documentation showing, you notified Reed Group, LTD, TexServe, and TRISTAR Risk Management, Inc. of the city's receipt of the request for information and of the right of each to submit arguments to this office as to why the requested information should not be released. *See Gov't Code § 552.305(d); see also Open Records Decision No. 542 at 3 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances).* We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why requested information relating to it should be withheld from disclosure. *See Gov't Code § 552.305(d)(2)(B).* As of the date of this letter, none of the interested third parties has submitted to this office any reasons explaining why the requested information should not be released. Thus, we have no basis for concluding any portion of the submitted information constitutes proprietary information of these third parties, and the city may not withhold any

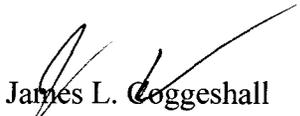

portion of the submitted information on that basis. *See* Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3.

The submitted information contains insurance policy numbers. Section 552.136(b) of the Government Code provides that “[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b). This office has determined an insurance policy number is an access device number for purposes of section 552.136. Open Records Decision No. 684 at 9 (2009). Thus, the city must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

James L. Coggeshall
Assistant Attorney General
Open Records Division

JLC/tch

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body. *See* Open Records Decision Nos. 481 at 2 (1987), 480 at 5 (1987); *see, e.g.*, Open Records Decision No. 470 at 2 (1987) (because release of confidential information could impair rights of third parties and because improper release constitutes a misdemeanor, attorney general will raise predecessor statute of section 552.101 on behalf of governmental bodies).
