Dear Ms. Presley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 512072.

The Frisco Police Department (the "department") received two requests for the video pertaining to a specified incident. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct by a child that occurred on or after September 1, 1997. Fam. Code § 58.007(c). Section 58.007 provides in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child[.]

Id. § 58.007(c), (e), (j)(1); *see also id.* § 51.02(2) (defining "child" as a person who is ten years of age or older and younger than seventeen years of age). The submitted video involves delinquent conduct by children that occurred after September 1, 1997. *See id.* § 51.03 (defining "delinquent conduct" for purposes of Fam. Code § 58.007). Therefore, the submitted information is subject to section 58.007 of the Family Code. However, as you acknowledge, the requestors are each a parent of a juvenile suspect. As such, each requestor has a right to inspect law enforcement records concerning her child pursuant to section 58.007(e). *See id.* § 58.007(e). Section 58.007(j) provides, however, that any personally identifiable information concerning other juvenile suspects, offenders, victims, or witnesses must be redacted. *See id.* § 58.007(j)(1). You inform us the submitted video depicts other juveniles, and the department does not have the technical capability to redact the information subject to section 58.007(j)(1) from the video. Thus, the department must withhold the submitted video in its entirety under section 552.101 of the Government Code in conjunction with section 58.007(j)(1) of the Family Code. As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
