

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 3, 2013

Mr. Jose Hernandez
Records Supervisor
Edinburg Police Department
1702 South Closner Blvd.
Edinburg, Texas 78539

OR2013-20915

Dear Mr. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 507475 (Ref# 55473).

The Edinburg Police Department (the "department") received a request for information relating to a named individual and his involvement in two specified homicides and information relating to the Tri-City Bombers gang. You state the department does not have information responsive to the portion of the request relating to the Tri-City Bombers gang.¹ You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note you have only submitted information related to one of the specified homicides. We assume, to the extent any information responsive to the request for

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dism'd); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

information relating to the other specified homicide existed on the date the department received the instant request, the department has released it. If the department has not released any such information, it must do so at this time. See Gov't Code §§ 552.006, .301, .302; see also Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. See *id.* §§ 552.108(a)(1), .301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an open criminal investigation. Based on your representation and our review, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

Section 552.108, however, does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; see also Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information considered to be basic information). We note basic information does not include information subject to section 552.130 of the Government Code. See ORD 127 at 3-4. Thus, with the exception of basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
