OR2013-21296

Dear Ms. Giese:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 507895.

The Harker Heights Police Department (the "department") received a request for a specified report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes. Juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997, are confidential under section 58.007(c) of the Family Code. Fam. Code § 51.03(a), (b) (defining "delinquent conduct" and "conduct indicating a need for supervision"). Section 58.007 provides in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Id. § 58.007(c). Section 58.007(c) does not apply to law enforcement records that relate to a juvenile only as a complainant, victim, witness, or other involved party; rather the juvenile must be involved as a suspect, offender, or defendant. *See id.* § 58.007(c); *see also id.* § 51.02(2) (defining “child” as a person who is ten years of age or older and younger than seventeen years of age). Upon review, we find the submitted information concerns an adult suspect and does not involve a juvenile as a suspect, offender, or defendant. Accordingly, section 58.007 is not applicable to this information and the department may not withhold it under section 552.101 of the Government Code on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ Gov’t Code § 552.130(a). Upon review, we find the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.² The department must release the remaining information to the requestor.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

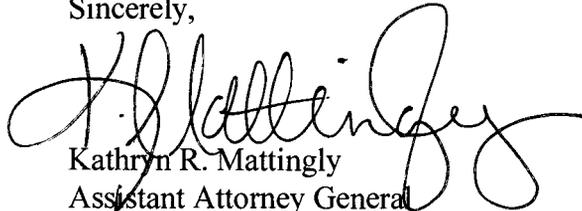

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov’t Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

³We note the remaining information contains a social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person’s social security number from public release without the necessity of requesting a decision from this office under the Act. Gov’t Code § 552.147(b).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
