You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of the information requested.¹

Section 552.116 of the Government Code provides:

This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116(a)–(b). You state a portion of the submitted information consists of audits authorized by section 39.057(a)(4) the Education Code, which permits special accreditation investigations to be conducted in response to established compliance reviews of a school district's financial accounting practices and state and federal program requirements. *See* Educ. Code § 39.057 (listing circumstances in which the commissioner shall authorize investigations). Additionally, you state the remaining submitted information consists of "audit working papers prepared or maintained by [the agency's] Student Assessment Division Security Task Force in conducting investigations of testing irregularities in the administration of statewide assessment instruments." You inform us these audits are authorized by section 39.057(a)(8) of the Education Code, which permits special accreditation investigations to be conducted in response to an allegation regarding or an analysis using a statistical method result indicating a possible violation of an assessment instrument security procedure. *See id.* Upon review, we agree section 552.116 is applicable in this instance.
