Ms. Janet L. Kellogg
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2013-21553

Dear Ms. Kellogg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 508300 (City File No. 698).

The City of Corpus Christi (the "city") received a request for information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

We must first address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Section 552.301(e) requires the governmental body to submit to the attorney general, not later than the fifteenth business day after the date of the receipt of the request: (1) written

¹Although you also raise section 552.104 of the Government Code, you have not provided any arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. See Gov't Code §§ 552.301, .302.

comments stating why the governmental body's claimed exceptions apply to the information that it seeks to withhold; (2) a copy of the written request for information; (3) a signed statement of the date on which the governmental body received the request or evidence sufficient to establish that date; and (4) the specific information that the governmental body seeks to withhold or representative samples if the information is voluminous. *See* Gov't Code § 552.301(e)(1). You state the city received the request for information on September 25, 2013. As of the date of this letter, you have not submitted to this office a copy of the request for information. Consequently, we find the city failed to comply with the requirements of section 552.301(e).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released unless the governmental body overcomes this presumption by demonstrating a compelling reason to withhold the information. *Id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). A compelling reason generally exists when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3, 325 at 2 (1982). Because section 552.130 can provide a compelling reason to withhold information, we will address the applicability of this exception to the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we agree the submitted video recording contains information subject to section 552.130. In this instance, you state the city does not have the technological capability to redact the motor vehicle record information from the submitted video recording. Accordingly, the city must withhold the submitted video recording in its entirety under section 552.130.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
