The University of Texas System

OR2014-00221

Dear Ms. Angadicheril:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 510027 (University OGC # 152399).

The University of Texas System (the "system") received a request for copies of the winning proposals for RFP Nos. ORM04262012 and ORM11262012. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of third parties. Accordingly, you state, and provide documentation showing, you notified the interested third parties of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released.<sup>1</sup> *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

---

<sup>1</sup>The third parties are Arthur Gallagher Risk Management Services, Inc.; Marsh & McLennan Companies; Aon Risk Solutions; Southwest Special Risk Insurance; John L. Wortham Insurance and Risk Management; and Beecher Carlson Insurance Services.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the interested third parties explaining why their information should not be released. Therefore, we have no basis to conclude any of the third parties have a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of the requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret). Accordingly, the system may not withhold the submitted information on the basis of any proprietary interest these third parties may have in it.

We note some of the information at issue is subject to section 552.136 of the Government Code.<sup>2</sup> Section 552.136(b) provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See id.* § 552.136(a) (defining "access device"). Accordingly, the system must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code.<sup>3</sup>

We further note some of the information at issue may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the system must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code. The system must release the remaining

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>3</sup>Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

information; however, any information subject to copyright may only be released in accordance with copyright law.<sup>4</sup>
