Dear Ms. Presley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 510161.

The Frisco Police Department (the "department") received a request for information pertaining to a specified accident. You state the department has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You assert the submitted video recordings contain license plate numbers that are excepted from disclosure under section 552.130 of the Government Code. Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by an agency of this state or an agency of another state or country. Gov't Code § 552.130(a)(1), (2). Upon review, we agree the submitted video recordings contain license plate numbers. In this instance, you state the department does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the submitted information in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
